**TSA is experiencing a high volume of TSA PreCheck® Application enrollments. Most applicants receive their Known Traveler Number (KTN) in 3-5 days, though some applications can take up to 60 days. Please allow up to 60 days before contacting TSA to check on the status of your application.**

KTNs are automatically generated and cannot be changed to accommodate personal preferences. For information on how to use your KTN, please view the FAQ titled "How do I use my Known Traveler Number?" available by clicking [here](#). Please note that TSA can suspend your ability to receive TSA PreCheck® expedited screening in the future if you are found to have committed certain violations of TSA security regulations. Violations include, but are not limited to, interfering with security operations, access control violations, providing false or fraudulent documents, making a bomb threat, or bringing a firearm, explosive, or other prohibited item to an airport or on board an aircraft. The duration of suspension from participation in TSA PreCheck is related to the seriousness of the violation and/or a repeated history of regulatory violations.

If you are not receiving TSA PreCheck® when you travel, please check your reservation to verify that your name, date of birth, and KTN are correct. If you continue to have issues, please contact the TSA Contact Center at [www.tsa.gov/contact-center/form/precheck](http://www.tsa.gov/contact-center/form/precheck).

We'd like to hear from you. [Please take a brief survey](#) and let us know how we're doing.
